

## Gift Exchange

Bring a gift along to the conference from your college to exchange for a gift from another college. It can be a t-shirt, blanket, pen, mug, etc. — be creative!

### **How it works:**

Participation is optional, but encouraged. If you wish to participate, bring your item to the registration table on Tuesday morning. You will receive a numbered ticket that will be placed into the drawing for the exchange. Later in the day, the gifts will be in bags and will be randomly exchanged by drawing the cards.

### **Alternate Option:**

If you would rather not guess what size of clothing to bring, you may wish to list the piece of clothing and your name on a business card or an index card and when your item is drawn, the recipient can give you their size and address to send it to them.
